

# Duraline®

**Rubber Molded Electrical Products**

## **Multi-Pin Rubber Molded Waterproof Connectors**

Duraline's Industrial / Commercial Grade Quick disconnect Multi-Pin Connectors are constructed using the highest quality materials to insure long life and trouble-free operation. All Duraline connectors are molded in rubber permanently bonded to heavy duty cable. The connector's unique seal designs isolates one contact from each other and creates a watertight seal allowing the mated pairs to be immersed in up to 6' of water. Applications for our Electrical Connectors are growing every day, included are Mining, Amusement Parks, Entertainment Industry, Cruise Lines, Shipyards, Oil Refineries, Petrochemical, Utility, Construction, Medical, and other Indoor/Outdoor Applications.
